

Minnesota Music Hall of Fame Inductee

Mike Shaw

Inducted in 2000

Mike Shaw – As a young boy, Mike Shaw remembers watching the The Glenn Miller Story and saying he'd like to have a band some day. And he did. Shaw played with various bands as well as booking and promoting bands until in 1981 the Shaw Band was formed. They found themselves on the road to success “packing the houses” in which they played.
