

## Tonic Sol-fa Inducted in 2016

Tonic Sol-fa began at St. John's University in Central Minnesota. The group has established not only as the most in-demand vocal group in the Midwest, but also one of the most successful independent acts in

America. In addition to CD sales of its own releases, they have toured extensively throughout the United States and abroad, with a steady list of festivals and private shows that led to numerous sold-out tours of theaters and small areas. The New York Times described Tonic Sol-fa's sound as "a vocal kaleidoscope...unique to the human voice".
